8 UNITED STATES OF AMERICA,

9 Plaintiff,

10 -vs-

11 LEILANIE CHRISTINE HOCOG,

12 Defendant.

CRIMINAL CASE NO. CR 06-00016

**JOINT MOTION FOR CONTINUANCE OF
TRIAL**

13 The United States Attorney for Guam and Counsel for the Defendant, Leilanie Hocog,
14 pursuant to GR 6.1 of the Local Rules of Practice of the District Court of Guam, respectfully
15 move the Court to continue the dates scheduled in this action including the motion cut off, pretrial
16 and trial dates until on or after August 2006.

17
18 Counsel represent that each is preparing the case for trial with diligence, but that a
19 continuance is required on the following grounds:

- 20 a. Laboratory reports regarding the methamphetamine alleged in the Indictment
21 remain to date unavailable;
- 22 b. The parties need the laboratory reports in order to determine whether an offense
23 occurred and if so whether or not certain sentencing provisions apply to the
24 offense;
- 25 c. This information is also necessary in order to facilitate the parties' ongoing plea
26 discussions or alternatively, the defense's approach to strategy;
27
28

- 1 d. Counsel for the Appellant will be absent from his office and Guam from June 20
2 through at least July 12, 2006;
- 3 e. The absence is occasioned by the following:
- 4 i. Counsel will be accompanying his wife and four children, who range in age
5 from 6 months to 14 years to Los Angeles CA;
- 6 ii. The trip is necessitated by the fact that Counsel's five-year-old son must
7 receive specialized ophthalmology treatment from specialists at UCLA and
8 his nine-year-old daughter must receive specialized pediatric cardiac care
9 from specialists at UCLA;
- 10 iii. No physician on Guam is qualified to provide the care required for the
11 children and the appointments for the children have been arranged by
12 referral from attending physicians in Guam;
- 13 iv. In addition, counsel's mother is scheduled to undergo surgery, also at
14 UCLA on June 21.
- 15 v. Additionally, the assistant United States Attorney assigned to the case is
16 scheduled to be off island for training purposes during the currently
17 scheduled dates.
